

SCHOOLTV.com presents...

The Fresh Music SCHOOLTV.com 20 CD Collection

20 CD's of fantastic royalty-free music for the discounted price of **\$375** (plus \$15 S&H)

YOUR 20 CD SET INCLUDES....

1. 2Hip2Soon - just as the name suggests, you'll be ahead of the curve with these very cool and funky, yet intelligent, grooves

2. Dramatic Themes - Beautiful, yet brooding film scoring, featuring a real orchestra and soaring melodies

3. Cyber Sports - modern up-to-date production and writing make this versatile production CD one you'll be reaching for time and time again

4. Mirror Image - sound alike versions of some of the most common, recognizable, and most widely used themes

5. Atmospheres - beautiful New Age pieces that have set the standard in today's production music industry; intelligent writing and production make this textural CD a standout!

6. Fresh X - man, it doesn't get any better than this hard-hitting, to the bone, in your face sample and synth-based compositions; perfect for sports, news, action...anything that moves!

7. House & Garden - the perfect lifestyle CD that will fit in almost any production application; light, agreeable, slightly jazzy... extremely well produced and performed

8. World Wide - music from all over the globe, in traditional and modern up-to-date styles; these great tracks will put you right there

9. Production Elements - the Swiss army knife of production CD's: 99 tracks of stingers, buttons, loops, transitions, produced SFX and more! One of our all-time best sellers!

10. News Themes - this CD is all you need to program your music for an entire news broadcast...but you'll find yourself using it for any number of applications; big sounding, corporate, both hard-hitting and breezy

11. Olympic - orchestral sounds featuring inspirational, motivational pieces that evoke both striving and success; a wonderful all-purpose CD

12. Americana - Featuring traditional and slightly patriotic themes, yet inspirational, motivational and a bit thoughtful about where this great land of ours started...and where it's headed

13. Production Beds - 40 fantastic sounding and useful cuts in broadcast lengths of 60 & 30 seconds; all styles represented in another value-packed Fresh CD

14. Corporate Power - orchestral themes with a motivational and driving sound; perfect for presentations, news, meetings ..anywhere a powerful image calls for powerful music

15. Fast Track - Slightly rock, slightly jazz, slightly orchestral... perfect for those productions that need a little energy and oomph!

16. Freestyle - very cool guitar-based pieces with hot sax, great arrangements and terrific playing; an outstanding and versatile CD

17. Holiday Sampler - Christmas tunes in a variety of styles and tempos...maybe the only Holiday CD you'll ever need!

18. Kiddin' Around - light-hearted tunes for the youngsters, yet not condescending, themes and production values like those heard on Nickelodeon

19. Mother Afrika - a wonderful and interesting CD featuring themes and sounds from the dark continent; extremely useful when the typical production music just isn't cutting it

20. New Millennium - an ultra-hip yet corporate sounding CD; extremely useful in a wide variety of applications.... unique and interesting writing, sounds and production
